**BORGATA HOTEL
CASINO & SPA**
theborgata.com | 609.317.1000

There are new developments to note at Atlantic City's Borgata Hotel Casino & Spa: Moneyline Bar & Book and Level One Cocktail Bar & Lounge. The \$12 million development was designed by Nelson Worldwide.

"Since Borgata arrived in the market more than 15 years ago, we have maintained a steadfast dedication to property growth and development, and we believe our new concepts confirm our position," says Marcus Glover, president and COO. "When conceiving Moneyline and Level One, we knew we wanted to provide our guests with an experience that was more than a transactional venue for sports wagering. We felt Borgata's guests deserved something that would advance the market by bringing together sports,

culinary, entertainment, gaming and nightlife into a destination experience they can enjoy seven nights a week."

The 8,000-square-foot Moneyline will serve as Borgata's newest destination bar complete with a dining program by executive chef Tom Biglan. Connected to Moneyline through an escalated corridor, the Level One Cocktail Bar & Lounge is an intimate venue for high-end gaming and

curated entertainment. Featuring glass link chandeliers over four blackjack tables, the 3,600-square-foot venue will offer customizable seating with lounge chairs, sofas and ottomans for private groups. It will showcase a cocktail menu by master mixologist Craig Schoettler
